This year the Bellevue PTSA council is offering a Reflections blank card set for \$10. This program supports Reflections outreach for all Bellevue schools so that each and every student has the opportunity to participate in this artistic program free of any cost to themselves. The blank cards will each have a different visual Reflection art (total of 10 different art pieces) chosen by vote during the week of January 4-8th. The art will feature 5 different covers of primary/intermediate and 4 different middle/high school and 1 special artist. The back of the cards will indicate the first name of the artist and the school. This is a great opportunity to purchase some excellent all-purpose cards from our very talented students and support the continuation of this worthwhile arts program.
