# Advocacy Update

- **Anaphylaxis Community Forum**

Thursday, January 15 from 6:00pm – 8:00pm WISC Rainer Room

This community forum is being held to solicit input from parents, students and staff before the revised and updated version of the Anaphylaxis Prevention and Response procedure is presented to the school board.

- **Focus Day**

Please plan on joining fellow Washington State PTA members from across the state on Monday, January 19 in Olympia for our biggest advocacy event of the year – Focus Day 2015.

At Focus Day, PTA members meet with legislators then rally on the steps of the Capitol. Your presence helps us ensure education will be front and center with our lawmakers during the upcoming legislative session. Children are welcome to attend.
